Letter No.C944/31-32, dated 15/16th May 1932, from the Muzrai Commissioner in Mysore, to the Secretary to Government Financial Department.

With reference to your letter No. 1655/Muz. 242-31-2, dated the 12th instant, sanctioning the budget estimate of the General Muzrai Fund for the year 1932-33 with the observation that as no receipt was provided towards the recovery of loan from Sri Adi Chunchangiri Mutt for the year 32-33, the same should be included and that explanation for the omission should be furnished, I have the honor to state that the Mutt was advanced a loan of Rs. 3,000/- only. Including interest on this amount at 5% from 1928 to 1932 a sum of Rs. 3,600/- was due during the year 1931-32. As this amount was expected to be recovered during the year the same was included under revised estimate for 31-32 omitting the same for 32-33.

2. As it has now been reported by the Deputy Commissioner that the amount could not be recovered during the current year the sum of Rs. 3,600/- shown under revised estimate for 31-32 has been omitted in the revised statement and a sum of Rs. 3,750 has been included in the budget for 32-33 with interest accruing during the year.

3. The revised statement embodying the alteration suggested under Agama Class has been prepared and sent to the Comptroller and Superintendent, Government Press for print.

From

Linge Gowda Esq.,
Agent, Adi-Chunchanagiri Mutt, Nagamangala Taluk.

To

S.P. Rajagopalachari, Esq., B.A. B.L.,
Member of Council, Bangalore.

Sir,

I beg to bring to your kind notice and favourable orders the following fact

A monthly grant of Rs 100/- was sanctioned to the Adi-Chunchanagiri Mutt from July 1932.

The Mutt had borrowed Rs 3,000/- from Government three years ago for the installation ceremoney and as it had not been paid, the Government had ordered that this grant should be withheld and adjusted towards the loan.

I approached the Muzrai Commissioner and the Government, and represented that the work of the Mutt was at a stand still on account of withholding the grant and further promised that the loan would be paid if some time were given.

Accordingly Government were pleased to grant some time and the same was communicated to the local authorities.

Now I am being told by the Amildar and Sub-Division Officer that the grant is going to be adjusted towards the interest of the loan and the time was only given to the principal sum.

As I have repeatedly represented all our propaganda work has been stopped and a monthly journal that use to be published from the Mutt has been discontinued since July last.

Out of the savings of the Jatra collections in the month of March 1933 and collections in the tours of the Swamigalu, the loan amount is going to be returned to Government in the month of March 1933.

I therefore request you to be so good as to instruct the local authorities to make payment of the grant amount that has

been

been sanctioned for carrying on the beneficent work of the Mutt.

I beg to remain,
Sir,
Your most obedient servant,

21/4/33

SIR,

With reference to correspondence ending with your letter -- No.1201/Muz.335-30-10 dated 11th February 1933 re the payment of -- the monthly grant to the Sri Adichunchangiri Matha, Nagamangala -- Taluk, I have the honour to forward herewith a copy of letter No. 260/A.C. dated 12th April 1933 from the Deputy Commissioner, Mysore District, stating that the loan amount of Rs.3000/- advanced to the Matha under the authority of Government Order No.1245-7/Muz.52-24-28 dated 2nd February 1928 was paid in full by the agent on 20th -- March 1933 and recommending that for reasons explained a moiety of the interest due up to the date of repayment may be waived, the -- other moiety being recovered from the monthly grant due to the --- Matha from 1st April 1933.

2. It is true that as stated both by the agent and the Deputy - Commissioner that there was no stipulation originally about the -- payment of interest on the amount advanced. As the amount was not repaid within the fixed period of 6 months, it was ordered in ----- Government Order No.480-1/Muz.15-28-4 dated 28th August 1928 that - this loan together with the further loan of Rs.3000/- sanctioned in favour of the Matha should be charged with interest at 6%. This was reiterated and made explicit in your letter No.1345/Muz.335-30- dated 2nd June 1932. There is therefore no point in saying that - there was no stipulation as to the payment of interest. In view --

P.T.O

view however of the circumstances explained by the Deputy Commissioner and the fact that the Patha has paid the principal in full in these difficult times, I beg to support the Deputy Commissioner's recommendation and to solicit sanction of Government to waive half the interest from 28th August 1928 to 20th March 1933 and to recover the remaining half from the Patha.

3. I request that orders to disburse the cash grant from - 1st April 1933 may be communicated to me early.

4. The entire file of vernacular papers is sent for reference and return.

I have the honour to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

Letter No.H.260/A.C. dated 12th April 1933 from the Deputy Commissioner, Mysore District to the Muzrai Commissioner in Mysore.

Recovery of loan amount from Sri Adichunchanagiri Mutt, Nagamangala Taluk.

--

With reference to your Memo No.820 of 30-31 dated 20th February 1933 on the above subject, I have the honour to state that the loan amount of Rs.3000/- advanced to the Mutt has been paid in full by the Agent of the Mutt and that a R.T.R. No.28 dated 20th March 1933 drawn in your favour for the said amount, is sent herewith.

2. The agent of the Mutt represents that in the loan bond executed by him there was no stipulation as to the payment of interest and that the -- payment of the same may be waived. The Sub Division Officer, French Rocks, recommends sanction to the request of the Agent.

3. The loan bond was executed as per original order of Government ---- sanctioning the loan amount to the Mutt. Government in their subsequent - order No.480-1/Muz.15-28-4 dated 27/28th August 1928 have directed that -- interest should be recovered at 5% on the loan amount.

4. The Mutt had no surplus funds at its credit till now. The amount --

ad been advanced for meeting expenses in connection with the installation of the Swamy of the Mutt, and it has been repaid in one lumpsum. In view of these facts, I beg to recommend that sanction of Government may kindly be obtained to waive half of the interest amount due up to the date of repayment of the loan amount, and to recover the other half from the monthly grant due to the Mutt from 1st April 1933.

5. The connected file of records is enclosed.

Letter dated 20-12-32, from Mr. M. C. Lingegowda, Agent Adi Chunchanagiri Mutt Nagamangala Taluk, to the Second member of Council.

I beg to bring to your kind notice and favourable orders the following back.

A Monthly grant of Rs 100/- was sanctioned to the Adi Chunchanagiri Mutt from July 1932. The Mutt had borrowed Rs 3000/- from Govt three years ago for the installation Ceremony and as it has not been paid, the Govt had ordered that this grant should be withheld and adjusted towards the loan.

I approached the Hon Comm^r and the Govt and represented that work of the Mutt was at a stand still on account of not holding the grant and further promised that the loan would be paid off, some time were given.

Accordingly Govt were pleased to grant some time and the same was Communicated to the local authorities.

Now I am being told by the Amildar and Sub-ordinate officer that the grant is going to be adjusted towards the interest of the loan and the time was only given to the principal sum.

As I have repeated by represented all

4-4

All our propaganda work has been ~~stopped~~ stopped and a monthly journal that used to be published from the Mutt has been discontinued since July last.

Rest of the savings of the Jatra Collections in the month of March 1933 and collections in the courses of the Swamijalu, the loan amount is going to be returned to Govt in the month of March 1933.

I therefore request you to be so good as to instruct the local authorities to make payment of the grant amount that has been sanctioned for carrying on the benefficient work of the mutt
